

ELECTRONIC FILING INSTRUCTIONS

Insulet Corp. Securities Litigation

**READ THESE INSTRUCTIONS CAREFULLY AND IN THE ENTIRETY.
YOU MUST COMPLY.**

Part I - Overview

- Electronic claim submission is available to institutions filing on their own behalf or on behalf of others as well as to claim preparers filing on behalf of clients.
- **ALL ELECTRONIC CLAIMS SUBMISSIONS MUST BE ENTERED ON THE TEMPLATE THAT FOLLOWS THESE INSTRUCTIONS.** Any file not in accordance with the required filing format or not accompanied by the required documentation will be subject to rejection.
- **One claim is to be submitted for each separate legal entity.** A separate claim, but only one claim, should be submitted for each separate legal entity (e.g., a claim on behalf of joint owners should not include separate transactions of just one of the joint owners, and a claim on behalf of an individual should not combine his or her IRA transactions with transactions made solely in the individual's name). Conversely, **a single claim is to be submitted on behalf of one legal entity including all transactions made by that person or entity no matter how many separate accounts that person or entity has** (e.g., a claim on behalf of a corporation with multiple brokerage accounts **MUST** include all transactions made in all accounts in one claim).
- The correct complete, unabbreviated name of the beneficial owner(s) of the security supporting each claim **MUST** be provided where called for. **Your submission may be rejected if you do not provide this information.** Do not include honorifics (e.g., Mr., Mrs., Ms., Dr., Capt., Sgt.) and do not put "FBO" or the like in front of the beneficial owner's name. **PLEASE NOTE: A trustee, in that capacity, is not the beneficial owner of the security; the full name of the trust should be entered followed by the full name(s) of the trustee(s). A comma should separate the name of the trust and the name(s) of the trustee(s).**
- The required documentation set forth below **MUST** be submitted with your electronic file. Your electronic claims will not be eligible for consideration until all required documents are received. Please note that one document may meet more than one requirement.

Part II – Documentation Requirements

1. ONE SIGNED PROOF OF CLAIM AND RELEASE

- You **MUST** complete the Claimant Information Page, (Part I, page 2) and Release of Claims and Signature Page, (Part IV, pages 6-7) of a single Proof of Claim and Release Form (“Claim Form”), which will serve as an “umbrella” or “master” claim form for all claims in your electronic file.
- The Claim Form **MUST** be signed by an authorized signatory who is listed on your signature verification document and state the capacity (job title) of the signatory.
- If you are filing only one claim, *i.e.*, you are filing on behalf of only one beneficial owner, provide the correct, complete, unabbreviated name of the owner of the shares on the Claim Form.
- If you are filing on behalf of multiple beneficial owners, use the term “Various Beneficial Owners” for the Claimant name(s) (*i.e.*, the beneficial owner(s) name(s)). However, as noted above, the correct complete unabbreviated name of each beneficial owner (without honorifics) **MUST** be provided for each claim in your electronic claim submission.

2. SIGNATURE VERIFICATION DOCUMENT

- If you are an institution filing on your own behalf or on behalf of other beneficial owners or a claim preparer filing on behalf of beneficial owners, you **MUST** provide a document verifying that the individual who signs the Claim Form and any supplemental documents is authorized to sign on your behalf. Some common types of documents that fulfill this requirement include the following (this list is not exclusive and non-US entities may have different documents that fulfill this requirement. This data integrity audit is designed to verify the overall integrity of a data file. Accordingly, you **MUST** provide all the requested documentation and the documentation provided **MUST** be independent in nature.
